The Eccentric Artist Studio ~Private Party Information

At The Home of Noteworthy Artistic Journeys, we offer a creative alternative to ordinary birthday parties or team building. Whether you are looking for entertainment or to strengthen relationships by creating art together, you'll find it here. Shoot for the moon and you will still land among the stars! Having your outing at The Eccentric Artist Studio is always a sure bet.

At The Eccentric Artist Studio, we are happy to provide a space for you and your group to relax, have some fun, and create something amazing at the same time. We are committed to providing a welcoming environment for anyone to create and become inspired. Feel at home in our studio and make the things you've always dreamed of with our fully equipped studio.

Clay workshops take two (2) sessions to complete. The first session will be building and or sculpting your piece. Once the piece is fully dry, it will be put through its first firing and then you will come back to glaze in the second session. Each participant must register for a glazing class with a staff member before they leave your event, that is included in your event fee. After the glazing is complete, it will be fired again and ready for pick up in 2-3 weeks.

Alternatively, you may choose a 2–3-hour, non-clay activity where you take your finished product home with you. If you have a specific vision in mind, we can cater a workshop for your specifications or design something special just for your group. We also have a variety of projects you can choose from.

2-Hour Clay Workshops ($70 per person)

Our 2-hour clay workshops have been curated to guide you through the basics of hand building. The workshop you choose will teach you a technique based on different projects, pinch pot, coil, slab, or sculpture. You will be amazed with what you can make with just your hands and some clay. Many items can be made using similar techniques. Use the below project ideas as guidelines, not concrete pieces that you *must* choose, see more examples online.
